

BUILDING BUZZ

December 2018

The Building Buzz is a monthly bulletin intended to highlight key happenings at the NSSC. For up-to-date information, check out the NSSC Employee Homepage at internal.nssc.nasa.gov. Submit your department milestones to NSSC-CUST-SAT-and-COMM@nasa.gov.

A Message from the Executive Director

Seasons Greetings NSSC Family,

I wanted to take this opportunity, during this last month of 2018, to tell you how grateful I am for you and how much I appreciate each of you.

Your consistent commitment throughout this year to ensure a positive customer experience deserves recognition. Thank you for taking the time to understand the individual needs of our customers and being their advocate.

My warmest thoughts and best wishes to you and your family for a wonderful holiday filled with much happiness and a very happy new year!

Happy Holidays!

Anita Harrell
NSSC Executive Director

Smart Pay 3 is Here!

It is official. SmartPay 3 is here! The GSA SmartPay Program provides all federal government agencies with commercial charge cards (purchase, travel, and fleet) and payment solutions through master contracts. NASA awarded its task order to U.S. Bank for the next generation of the charge card programs. SmartPay 3 offers a 13-year period of performance, providing all options are exercised.

For the last year and a half, the NASA SmartPay 3 Transition Team has been steadily working on transition efforts with the Agency Applications Office and the bank contractors to ensure a smooth changeover from JPMorgan to U.S. Bank. NASA goes live with U.S. Bank on Friday, November 30, 2018.

Great work to the Transition Team!

After almost 10 years with NASA, the NSSC will soon bid farewell to Pat Tidmore, NSSC Executive Officer.

"It has been a genuine pleasure working at the NASA Shared Services Center. I am proud to have been a part of the great things we have accomplished together. I am grateful to have had the pleasure of working closely with many of you."

In his retirement, Pat plans to spend more time with family and friends, as well as take on new and exciting adventures.

Best wishes, Pat!

On Thursday, December 13, Anita Harrell will host her first All Hands meeting since becoming NSSC Executive Director in spring of 2018. She will share NSSC updates, provide information about the Mission Support Future Architecture Program (MAP) and answer employee questions.

First Session: 9:30 a.m.
